

57 Series

Bocci

**Product Type**

Ceiling

57 results from a fabrication process whereby air voids of different sizes and configurations are composed within a larger mass of dark grey glass. These air pockets are invisible when the piece is unlit, and come alive to reveal an interior universe when 57 is illuminated. By virtue of the method of making, each 57 is completely unique. A flexible suspension system enables pendants to be nestled in close-knit groups or loosely composed in a wider field, allowing each piece to be perceived individually.

Dimensions

Ø4" x Ø6" each
Ø100cm - Ø165cm

Voltage (V)

grey and dark mirrored: 1.5w LED, white opaline and light mirrored:
1.5w LED / 0.18w LED

UPON ORDERING THIS DESIGN
