

Parison Pendant

Resident

Product Type Pendant

Parison is a glass pendant, mouth blown from a mixture of coloured and clear glass. It's surface is a consistent gradient of opaque Black or White at the top, to transparent at the base. The underside surface contains slanted facets, creating a beautiful contradiction between fluid and jagged. Housed in the neck of the pendant, an LED bulb creates a soft warm glowing fixture.

Dimensions

Ø4.8" x H 11.8" x L 13.8"
