

Odin Chair

Resident

Product Type Dining Chair

Odin chair started life as a commission for a series of boutique alpine properties in Niseko Japan. Simultaneously humble and striking, the Odin chair was designed to feel like an appropriate mix of both Nordic and Japanese cultures. There is a structural harmony in how the four die cast aluminium legs cradle a seat base and curved back rest in laminated solid ash. The Odin is available in two finishes - a natural ash or with a black stain, and has the option an upholstered seat.
