

Easy Sofa

Established & Sons

Product Type

Sofa

Always highly presentable the Easy range, designed by Klauser & Carpenter, has soft but defined forms that stay neat and tidy. Ideal for reception and meeting areas, fashion boutiques, changing rooms and guest bedrooms you can rely on this design if you need a smart chair or sofa. Cleverly designed for contract use, the Easy range looks polished from any angle and is frequently used by interior designers to divide large working areas into usable spaces.

Dimensions
