

Catch Counter Stool JH16

&tradition

Product Type Stool

Hayon brings the same welcoming spirit of his Catch Chairs to the Catch Bar Stool. Like a friend ready to give you a hug, the arms extend outwards from the curved seat. The result is a bar stool that's a conversation piece, setting the scene for a cosy exchange from the start. The bases are tubes powder coated black and available in two heights, with an enormous array of fabrics and leather types to choose from for the seat itself. It's the utmost in humanity and simplicity with a touch of humor.
