

Fold Table Lamp

Henry Wilson Studio

**Product Type**

Table Lamp

A cast light which appears to have been draped over it's base. A light fitting is captured inside and glows outward. Each casting is manufactured in small batches meaning slight variations will occur from piece to piece. Production marks may include slight pour ripples or surface pitting. It will arrive with a bright finish but will oxidize and darken over time to reveal a distinctive patina. Simply use a metal polish to restore a like-new finish.
