

## Mayor Sofa AJ6

&tradition

**Product Type**      Sofa

MAYOR, originally designed by Arne Jacobsen in 1939 and brought back to life in 2013 by Flemming Lassen, shows a moderation of modernism and a unique regional adaptation.

The frame is made of solid oak, the upholstery is tight but with three loose cushions that comprise the seating area, and there is generally a more human approach to modernism with a focus on livability. The sofa is made of high quality materials. The tight upholstery and the two rows of elegant buttons that extend over the armrests and back give the sofa a simple and stylish look. Thus the sofa fits perfectly into both modern homes and workplaces, where quality and design are important parameters.
