

## Tela Lounge Chair

Wentz

**Product Type** Lounge Chair

Tela Lounge Chair is a fusion of contemporary design and traditional Brazilian materials. The backrest weave is inspired by the classic cane woven pattern of the mid-century furniture. It was recreated in a larger scale and made with cotton thread for more comfort and durability. While the back emphasizes the pattern, the slim frame and molded seat have smooth details and curves with a contemporary design approach. Tela Lounge Chair seeks extra-comfort with a sleek structure, lightness and a tropical flair.
