

Palette JH26

&tradition

Product Type

Side Table

Inspired by Alexander Calder's kinetic sculptures, Spanish designer Jaime Hayon transformed the idea of a mobile into a table - stabilised by a metal armature. A series of multi-tiered tables of varying shapes, sizes, colours and materials. Get this Palette side table in two different variants.

Dimensions

W18,5" x D18,1" x H26,4"

W47cm x D46cm x H67cm

Weight

10 kg

Gliders
