

Pavilion Counter Stool AV8

&tradition

Product Type Stool

The Pavilion bar & counter stool has an airy feeling, with fluid curves for the wood veneer seat and back which continue as lyrical lines in the steel tubes of the legs. The result is a silhouette that... + "Tube chairs had their start in early modernism, but they were usually constructed at fixed angles," notes Anderssen & Voll. "We wanted to explore a more open construction, a freer form of expression."
