

Botolo

Arflex

Product Type Dining Chair

Cini Boeri designed Botolo in 1973, giving life to a new design style, where you could choose the height of the legs to have a dining chair in the high version or a style, at that time modern, "the living at a low level", a way of living and sitting on the ground. In the legs there are wheels to move easily.

Dimensions

high version

L21" x D21" x H29,5"

L53cm x D53cm x H75cm

low version

L21" x D21" x H19,75

L53cm x D53cm x H50cm
