Affordances Limited Edition is a tall side table design based on the designer Jonathan Zawada's original vision of combining essential forms with simplified construction. Each Limited Edition is made from a combination of three pieces of marble, granite, and the occasional piece of synthetic stone. All Editions are made in a set of 10.

We currently have two options in the Affordances Limited Edition; one made of Diano Reale, Fossil Brown, and Black Agadir marble and the second option made of Pink Rosalia, Azul Bahia, and Green Belize marble.
