

## Nix Round

Matter Made

**Product Type** Ceiling

Nix embraces LED technology by creating an oversized sheet of light that is both low in profile and evenly diffused. Suspended from a narrow stem or mounted to a wall, the ball joint offers a wide range of mobility, allowing for directional moon-like light.

**Dimensions**

Dia 24" x H 1.5"

Dia 61cm x H 3.8cm

**Drop Length**

36"

91.4cm

drop provided

**Weight**

7 kgs

**Voltage (V)**

120 or 240 V

**Light Source**

3014 LEDs / CRI 90

120V / 240V Driver supplied

2700k or 3000k

841lm

27.75W

120V / 220V input

**LED Driver**

RCL050-1050A

**Dimming**

Triac, ELV, 0-10V

**Canopy**

Dia 6.75" x H 1.3"

Dia 17cm x H 3.4cm

Canopy (Provided)

**Certification**

UL
