

Cross

Arflex

Product Type Lounge Chair

Arflex makes from its historical achieve the re-edition of the armchair Cross, designed by the architect Marcello Cuneo in 1974. The seat is born from a very simple idea: two tubes bent into a U shape and linked together by a light alloy joint. On the two structures the covers (made by thick fabric, that has also load-bearing function) are slipped into and carry the cushions of the seat and backrest. The architect Cuneo had a special mention at XII Compasso d'oro, in 1979, for this intuitive idea.

Dimensions

L26" x D34,25" x H27" (Low)

L66cm x D87cm x H69cm

L26" x D34,25" x H33,5" (High)

L66cm x D87cm x H85cm
