

## Blow Ceiling Mount

Roll & Hill

**Product Type** Ceiling

Blow is inspired by traditional French wine barrel candelabras, where the wooden staves are typically inverted and mounted to the metal hoops. These staves are playfully scaled and oriented to create an asymmetrical metal cloud-like form incorporating points of light at the tips.

**Dimensions**

H4" x W32" x D34"

H10cm x W81cm x D86cm

**Weight**

4kg

**Voltage (V)**

120 or 240V

**Certifications**

UL, cUL

**UPON ORDERING THIS DESIGN**

Specify any details needed to place order.
