

Castle 9-01

Roll & Hill

Product Type Ceiling

While the shape of these pieces occasionally resemble the turrets of a castle, the name actually comes from the game of chess. The rook can jump any distance, yet it is restricted to moving orthogonally. Likewise, the glass in Castle extends to different lengths, but is always horizontal or vertical.

Lead Time: 8weeks

Dimensions: L 40in/101cm x W 34in/87cm x H 17.5in/44cm

Fixture Weight: 9lb/4.1kg
