

## Flowerpot VP7

&Tradition

**Product Type**      Pendant

The Flowerpot lamps became synonymous with the Flower Power movement from the late 60s. Reflecting a break from convention to embrace a more open, modern mentality that promoted peace and harmony. Such was the mindset of their designer, Verner Panton. One of the most forwardthinking talents of his time. The Flowerpot series consists of four different models, including two pendants and two table lamps - all in a wide range of colours.
