

Blown SW5

&tradition

Product Type Lamp

While experimenting with the reflections and refraction of light, designer Samuel Wilkinson discovered a beautiful quilted effect when the light source was surrounded by patterned glass. This led to his design of the Blown series.

Dimensions

Ø11" x H13.38"
Ø28cm x H34cm

Weight

2.60 kg

Voltage

120 or 240 V

Light source & energy efficiency class

E27 Max 60 Watt.

The luminaire is compatible with bulbs of energy class: A++ – A
Bulb is not included. Canopy included

Certifications

CE, IP20, Class I
