

Costela Armchair

Tacchini

Product Type

Lounge Chair

An icon of Brazilian 1950s design, and the winner of the Milanese Compasso d'Oro award. An elegant yet informal armchair. With its sensual aesthetic, natural materials and intelligent design, it offers sophisticated personalization. Costela is a paradigm of creative design. The fundamental idea on which the chair is built is the beautiful wooden structure with its wooden ribs embracing both the seat and the back, and the functional and aesthetic completion of the detail, the large cushions, set horizontally and vertically, ensuring absolute comfort with an extremely natural style in their almost random position.
