

Patch HW2 Extendable Dining Table

&tradition

Product Type Dining Table

This extendable dining table by Hee Welling employs a butterfly extension technique to provide seating for more people. Its wooden base is topped with a smooth laminate tabletop. Drop-shaped legs and rounded corners add subtle design details, as do the metal patches on each leg that hold it securely together. The table comes in two sizes: 180 x 90cm, or 240 x 100cm and are both extendable with 100cm.
