

Fauteuil Direction Pivotant

Vitra

Product Type Office Chair

The swivel seat of Fauteuil Direction Pivotant is height adjustable, and the backward tilt mechanism can be adapted to the individual user's weight. These features are paired with the generous upholstery to ensure optimum comfort. Leather or fabric covers are available in many different colours, making it easy to find the ideal chair for any type of business workplace or home office.

The voluminous seat and backrest cushions rest on a sleek frame made of tubular steel and bent sheet metal, while the wooden armrests lend the office chair a touch of familiar comfort. The swivel seat of Fauteuil Direction Pivotant is height adjustable, and the backward tilt mechanism can be adapted to the individual user's weight. These features are paired with the generous upholstery to ensure optimum comfort. Leather or fabric covers are available in many different colors, making it easy to find the ideal chair for any type of business workplace or home office.
