

## Stroke 1.0 Green CC-Tapis

Product Type

Ru

The Stroke collection was really about creating a singular gesture as a rug. A simple brush stroke which highlights the extraordinary craftsmanship of woven rugs. The varied pile height and subtle color differences accentuate the 3 dimensions of these rugs. A drawing, 'stroke' on the floor 'Rooms become a canvas' The total interior is the artwork. The stroke is the start of it, complemented by and complimenting the rest of the furniture to complete the artwork. The stroke symbolizes a start, to build upon.

Price upon request.
