

Five to Nine Daybed with headrest

Tacchini

Product Type Sofa

With bolster pillows that run its entire length, the daybed has a bold personality and is super-versatile. Thanks to the array of upholstery options possible, it can fill many needs and fit in different settings – upholstered in leather, for a minimalist Bauhaus effect, or in mohair velvet for maximum comfort and enveloping softness. The wood seat structure has an open-pore painted finish, with turned legs and achieves its fullest expression once the bolster pillows, one by one, have been set in place, along with the armrest and backrest (available in two sizes), and the round side table with surfaces in concrete or metal, in various colors and finishes for a more textured effect. The daybed is an invitation to relax or wait in comfort. Thanks to its sleek linearity, it can stand alone or be a fitting addition to an arrangement of furniture pieces and accessories, ideal for both domestic use and public spaces.
