

Corda Pendant

Wentz

Product Type Pendant

Corda pendant, "rope" in Portuguese has the quiet energy of a starting point for any design project. The thin frame around the glass sphere suggests a continuation of the cord. The pendant explores the ultimate simplicity of form and raises abstract concepts like the sense of gravity and weightlessness. The diffused light and clean shape allow it to be used individually or in multiples over countertops, dining tables, side tables, bedsides, staircases or hallways.
