

Corda Wall Lamp

Wentz

Product Type Sconce

The Corda ("Rope" in Portuguese) series explores the simplicity of forms and raises abstract concepts such as the sensation of gravity present in the composition of the object. Its thin metal structure, though rigid, was designed to look flexible, as if the blown glass sphere was suspended by a rope.

Dimensions:

22x20x55cm / 8¾" x 8" x 21½"

Voltage (V)

120 or 240 V

Light Source

Built-in LED. 150lm. 2700K. 90 CRI.

Certifications

UL, cUL, Title 24, CE.
