

Argola Coat Hanger

Wentz

Product Type

Object

Argola is a deconstruction of the classic coat hanger. The clothes can be casually thrown on the "argola" ("hoop" in Portuguese) or hanged in a traditional way at the ends of the horizontal tube. The suspension makes the coat hanger even more casual, once it gently swings with the gravity and wind and stands as a sculptural element when it is not in use.

Dimensions

W23,6" x D6" x H41.3"

W60cm x D15cm x H105cm
