

Tube Chair

Objects of Common Interest

**Product Type**

Lounge Chair

Formed out of two intersecting torus volumes, one immerses into the natural seat the geometry creates. Tube Chair can act as a singular bouncy lounge seat, a seating rest for two, or a casual leaning element against the tubular backrest.

Objects of Common Interest in collaboration with Falke Svaton.

1.45 x 1.21 x 0.40m

4'8" x 4' x 1'4"
