

# **SHY Sconce**

Bec Brittain

### Product Type Sconce

The SHY light uses the spare beauty of thin LED tubes to define the edges of its shape; in this way the function of the piece is created by its form and vice-versa. The modular hardware can be reconfigured in a myriad of different ways, taking new shapes according to what the space demands.

Optional glass diffusers for the LED bulbs, for further

Optional glass diffusers for the LED bulbs, for furthe customization and soft diffusion are <u>available here</u>.

#### **Dimensions**
