

Moon

Tacchini

Product Type Armchair

Moon is an armchair with a uniquely curvaceous and dynamic shape. The special production process creates a swivelling polyurethane shell that forms a single body with the covering, to give a seat that represents the perfect combination of design and technical skill.

Dimensions

W32,87" x D28,74" x H35,03"

W83,5cm x D73cm x H89cm
