

Pastilles Armchair & Ottoman

Tacchini

Product Type Armchair

The soft, enveloping shapes of the Pastilles armchair reinterpret the classic cockpit armchair in a modern key, evoking a sense of comfort and lightness that recalls childhood memories. Pastilles is a collection that gently reimagines the past, transforming it into a soft, contemporary embrace. Born from the collaboration between Tacchini and Studiopepe, this family of armchairs, ottomans, and tables reinterprets childhood memories in playful, rounded volumes and delightful material encounters. The comfortable armchair, with a backrest resembling a sinuous shell that cradles the seat, pairs with ottomans and tables of two sizes to furnish different settings with a touch of sophisticated warmth.
