

Babela Chair

Tacchini

Product Type Armchair

Designed in 1958 by Achille and Pier Giacomo Castiglioni for the Milan Chamber of Commerce, Babela is an excellent example of how practicality and aesthetics can work together in the same chair, a comfortable, stackable easy chair with a rigorous design perfect for the institutional setting for which it was conceived. This reissue brings Babela into contemporary spaces, transforming the original iron frame into a warmer, more natural ash wood one.
