

Surface Chair

Established & Sons

**Product Type**

Dining Chair

Surface Chair follows in the footsteps of its counterpart, the Surface Table. Developed using the same methods and inspiration as the table, the carbon fiber chair is technologically led yet organic in form. Similarly the fiber is unidirectional and is fabricated, layering one layer upon another.

Dimensions

L18,5" x D19,7" x H31,7"

L47cm x D50cm x H80cm

Price available by request.
