

Frame Chair

Established & Sons

Product Type

Dining Chair

This tough lightweight chair is blessed with good proportions and seating comfort. A complex study in angles the straight lines of the wooden laths are adeptly balanced with the subtly curved seating and support surfaces. The Frame Chair, designed by Wouter Scheublin, is full of cleverly engineered, reasoned character and achieves a unique formality that is rare within the competitive, overcrowded realms of chair design.

Dimensions

L15,74" x D24" x H30,90"

L40cm x D61cm x H78,5cm
