

Quilt Armchair

Established & Sons

Product Type Lounge Chair

The generously-proportioned Quilt seating series by the Bouroullecs is covered with honeycomb-like, plump upholstery in bright, stretch fabrics for an instant color hit in both residential and contract settings. These geometric components are both mathematical and decorative in design, while their soft plump fullness offer superior comfort.

A spirited challenge to the formal, structured contract sofa, the Quilt brings character and all the benefits of a seat that will remain neat and presentable in high-traffic locations.
