

Quilt Sofa

Established & Sons

Product Type Sofa

The visual appearance of comfort is articulated through the unusual upholstery of the Quilt series. Designed by Ronan & Erwan Bouroullec, the outer layer contains pockets containing individual foam pieces in interlocking shapes. Like a quilt or rug, it is then placed loosely upon a fiberglass shell and steel frame. The Quilt is the antithesis to the formal, structured sofas and seating design we have become familiar with.

Dimensions

L 82.7" x D 47.2" x H 29.5"

L210cm x D120cm x H75cm

UPON ORDERING THIS DESIGN
