

## Rituale

Tacchini

## Product Type Ru

A year after the re-editton of the E63 lamp, Tacchini Edizioni rediscovers the more private side of Umberto Riva. Known as an architect and designer, Riva never tried to hide his fondness for art and painting. In his works, geometric patterns and colors intertwine, creating delicately beautiful abstract subjects, as in Rituale. Drawing upon the painting of the same name, the rug is completely hand made, in keeping with an ancient, intricate woolknotting process. The ultimate distillation of art, artisan craftsmanship and design.
