

Jiro Swivel Chair

Resident

Product Type Chair

The Jiro Swivel Chair challenges traditional workplace seating by offering maximum comfort with the minimum of elements. A finely balanced oak construction with a 4-star die-cast base provides ergonomic, dynamic and responsive support in a design that is as comfortable in the boardroom as it is in a home office. With elegant simplicity, Jiro's concentric elements and low back invite shifting of posture and active maneuverability. Jiro is offered in a variety of configurations that include: casters, height adjustable gas lift and upholstered seat pads, making Jiro the ultimate seating solution for a variety of dynamic locations.
