

Torch Light - Pendant

Established & Sons

Product Type Pendant

The Torch Light combines a tactile, moulded silicone shade with a diamond-textured diffuser – a reference to car headlights – and a brightly coloured cable, offering a wide array of colour and cluster combinations.

It's easy to create a fun, vibrant look by combining different colours and sizes within the same space or to state your style by choosing the Torch Light bunch, an ultra-modern feature chandelier. Heroic in black or red or yellow, bespoke drop heights provide architecturally bold pieces for double or triple height ceiling spaces.
