

## Grounded Planter

Stephen Kenn

**Product Type** Planter

Stephen Kenn's new Grounded collection combines hand-stitched leather, steel, and stone, representing the clean lines that define his own brand of sophisticated, warm minimalism.

**Dimensions:**

18 W x 20 H inches

*Each piece in this collection is unique. The river stones used will vary in shape and color, and the leather treatment results in a range of color and texture variations.*

**UPON ORDERING THIS DESIGN**
