Wiener GTV Design

Product Type Bench

The two Swedish designers able to give a poetic and innovative touch to materials at the same time, have come up with Coat Rack Bench for the Wiener GTV Design 2014 collection, a coat rack bench that plays with the company's stylistic features: bent wood and the wovencane or upholstered seat. This item furnishes the hall but can at the same time fit easily into different areas of the house. New for 2021 is the variant with the upholstered seat.
