

## Hideout Loveseat

Wiener GTV Design

**Product Type**      Sofa

The HIDEOUT LOVESEAT two-seater sofa is a result of the creative minds of the Swedish duo Front. The sofa recalls the lounge chair with the same name that is one of the icons of the brand and shares the same technical and aesthetic features. An unprecedented reinterpretation of the ancient and prestigious technique of bentwood, it is perfectly suited to refined lounges. The enveloping structure creates a cosy atmosphere for moments of privacy even in the most crowded environments thanks to the large solid bentwood beech backrest. On the sides, two woven cane walls enclose the seat, framing the central backrest that can be customized with different types of upholstery.
