

Hold On Daybed

Wiener GTV Design

Product Type Sofa

The daybed, HOLD ON, fits dynamically into the company's collection and is an integral part of the family of padded items designed by Nicola Gallizia. The solid ash structure defines a profile with rigorous lines marked by a design complexity that emerges in the details inserted between the different sections, almost emphasising its solidity. The circular cushions, available in the fabrics of the collection, create a geometric contrast with the linear sides and backrest, shaped with soft lines.

Dimensions

W71,6" x D32,2" x H24,4"

W182cm x D82cm x H62cm

UPON ORDERING THIS DESIGN

Specify any details needed to place order.
