

Jannis Lounge

Wiener GTV Design

Product Type Lounge Chair

Dainelli Studio, owned by the creative duo of Leonardo and Marzia Dainelli, designs JANNIS, a collection of upholstered furniture that are eminently suitable for contract use.

Two and three-seater sofa and lounge chair, with judicious dimensions and slim proportions.

JANNIS is defined by a contemporary rigour that draws inspiration from the past, revealing its personality in the details: the wooden structure, lightweight to the eye but solid, holds the single seat cushion and the backrest, and is characterized by the metal feet with a brass finish of the feet. The front leg rises to define the thin profile of the armrest and closes in the semi-circular tip, again with a brass finish. The frame and legs are connected by steam-curved beech wood arches, an element of continuity with the heritage of Gebrüder Thonet Vienna.
