

Lehnstuhl Hocker

Wiener GTV Design

Product Type Ottoman

Nigel Coates widens his furnishing proposal for Wiener GTV Design by introducing in his collection an extremely original element: the Lehnstuhl-Hocker footrest fit with elegance and nonchalance the spaces of the house devoted to relaxation. The bent beech structure recalls Lehnstuhl's lines, designed by the English designer, using its woven cane wide-mesh version for the footrest.

Dimensions

W23,2" x D16,1" x H16,5"
