Wiener GTV Design

Product Type Dining Chair

Supple, light, and elegant. This chair, designed in 1849, uses the new technique of steam bent beech wood, and clearly shows the philosophy aimed at simplifying the components to enable mass production. The seat is made from cane.

Dimensions

W16,5" x D19,2" x H36,2"
W42cm x D49cm x H92cm
