

Tri

Wiener GTV Design

Product Type Bar Stool

Martino Gamper suggests a new reading of the concept of informal seat, with the stool TRIO, available in three heights: barstool, counter and stool. The tripod structure plays with the brand's icons, proposing bent wooden elements of different angles, recalling the geometry of the triangle. Three sections of the offset semicircle define the linking support of legs, which holds a triangular seat with rounded profiles.

Dimensions

W17,3" x D17,3" x H30,3"
W44cm x D44cm x H77cm
W17,3" x D17,3" x H25,5"
W44cm x D44cm x H65cm
W15,7" x D14,9" x H18,1"
W40cm x D38cm x H46cm
