Wiener Stuhl

Wiener GTV Design

Product Type Dining Chair

"A simplified design to create an elegant, comfortable, popular item". The structure has an all-embracing simplicity, and is formed from just a few elements in steam bent solid beech. The backrest and the back legs are moulded from a single piece of wood. Available with various different seats: woven cane, beech plywood (with or without piercing), or padded and upholstered in leather or fabric to match the backrest.

Dimensions
W20,5" x D22,4" x H31,4"
W52cm x D57cm x H80cm
