Wiener GTV Design

Product Type Dining Table

Essential lines and rounded profiles of the top, base and upright, offer a contemporary version of the classic bar table. A functional element that does not sacrifice a sophisticated idea of elegance and fits with versatility in contract spaces. The plywood top can be enriched with an elegant perimeter ring in a bronzed finish that discreetly evokes déco atmospheres.

Dimensions

W27,5" x D27,5" x H29,9"
