

Pavilion AV12

&Tradition

Product Type Dining Chair

Located on the castle grounds of Copenhagen's Kastellet overlooking the waterfront promenade that is home to the Little Mermaid, The Langelinie Pavilion stands with a resilient spirit. The first Pavilion was built in 1885. Echoing its own ability to endure is the Pavilion chair by Andersen & Voll. Here the challenge was to design a stackable chair used for mass seating in this iconic, multi-purpose venue, the Langelinie Pavilion. The Pavilion chair has an airy feeling, with slim arms and legs that give it a light appearance. Now available in a contemporary chrome frame.
