

## Compas Direction Desk

Vitra

### Product Type Desk

The slender, elegantly splayed metal legs of the Compas Direction desk by Jean Prouvé call to mind the hinged arms of a compass – 'le compas' in French. Their design is based on engineering principles that typify the structural approach of the French designer and engineer. Paired with the oiled solid wood table tops, they form a richly contrasting mix of materials in the home office.

### Dimensions

W49,25" x D23,5" x H28,75"

W125cm x D60cm x H73cm
